FINANCE AND ACCOUNTS DIVISION MEMORANDUM NO. A-16

Supplement 1A

To: Branch and Division Chiefs and Regional Directors  
From: Edward J. Kelly, Chief, Finance and Accounts Division  
Subject: Bills of Lading - Ocean Freight Shipments

The second paragraph of Finance and Accounts Division Memorandum No. A-16, Supplement 1, requires the following clarification:

New purchases for the Caribbean and Hawaiian Areas are no longer being made. There are, however, outstanding contracts for the Caribbean Area (and possibly for the Hawaiian Area) on which deliveries have not been completed. Both inland and ocean freight on these shipments are chargeable to CEP funds. Likewise, there may be some charges against TEP funds for Hawaiian contracts not yet completed.
